A Bad Case of the "Gimmies"

range.

Keen competition is always on deel; whenever these two meet, and for this reason the coming Tech-Auburn field day should be a huge success.

Next in importance to the Auburn meet comes the dual affair with Sewance, who hold the track 1919 S. I. A. A. championship. Tech and Sewance tled up last year in a hotly contested field day, but the Tennessee lads won by a hair. It is also probable that Tech and Emory, a new factor in Southern track fields, will appear together at Grant Field or on the track on the Emory campus.

Season Ends With Big Meet.

The 1920 track schedule will go out with a blaze of glory with the big S. I. A. A. field day at Grant Field on May 17 and 18. Up to date something like sixteen colleges and universities of the South have accepted, and the list includes such names as Sewance, 1919 S. I. A. A. champions; Auburn, Emory, University of Alabama, University of Tennessee, Mercer, Mississippi, A. & M., I. S. U., Tulane, University of South Carolina, Clemson and others.
